WHO WE ARE

By creating a culture of safety, a commitment to quality and an environment that focuses on customer satisfaction, Nations Roof has become the "destination company" in the roofing industry for top talent at all positions. Customers win by getting high performance roofs and our teammates win by earning opportunities for personal and professional growth.

COMMITMENT

Nations Roof was founded by Rich Nugent with a commitment to serve national and local customers at a level of service never experienced before in this industry. We've grown by focusing on the needs of our customers and doing whatever it takes to keep your buildings dry.

WHAT WE'RE KNOWN FOR

Since starting out over fifteen years ago, we have earned a solid reputation for delivering consistently good value, high-quality workmanship, supported by exceptional customer service and award-winning safety standards. Through national partnerships with leading manufacturers, we can offer choices and solutions, rather than asking you to select from a predefined list.

EXPERT COMMERCIAL ROOFING FOR MORE THAN 15 YEARS

No project is too big, and no detail is too small. At Nations Roof, we're known for delivering high-quality workmanship supported by award-winning safety standards, nationwide.
